Chenaram Prajapati

35 years old, and originally from Pali in Rajasthan, Chenaram lives in Colaba Koliwada. He studied till the eighth standard, and is able to communicate in English. He is the owner and founder of Superior Frames, the city's largest wholesaler of frames to artists, using archival paper and museum techniques of protecting the works.

"For a decade I worked as an apprentice to a framer. And then with the help of a few friends and a gallery, Art Musings, I was able to establish my own shop. MF Hussain and Paresh Maity are my favourite artists. I am able to recognise most works of art from their style, colours, and the signature to me seems unnecessary. Bombay to me is the city where you are well paid for your hard work. If you work hard, you can achieve anything here."
